

## TTR Local Event - Driving Tour

### George Bush Library and Messina Hof Winery

Saturday May 17<sup>th</sup>

Meet at 9:15, Depart at 9:30 from First Watch - Remington Square (May 17<sup>th</sup> TTR breakfast location)

The route plan is to leverage the (generally quieter on Saturday mornings) 249 toll way and secondary roads up to Bryan College Station and to return via nice secondary roads (primarily Highway 36) back to Houston area, avoiding much of Highway 6 and some current road construction thereon. From there, attendees have selection of secondary, freeway and/or tollway routes back home.

The group will have stops to visit the George Bush Memorial Library and to tour the Messina Hof Winery which offers various wine combination tastings. The winery has tours at preset times (which will impact our scheduling and order of visiting the locations) but if we have sufficient attendees they will put on an additional private tour just for TTR.

Therefore if you wish to attend the drive and visits, **please kindly rsvp by May 10<sup>th</sup> to David & Allison** with the number in your personal party, so that they can arrange the private winery tour once we hit the requisite headcount threshold.

George Bush Library

Messina Hof Winery - Bryan
